Summer Starts at EPL programs are listed in BLUE coloured font.

Children

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**

NOTE: Registration recommended

Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 to 8.**

Lego at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others. **Ages 6 to 12.**

Rowdy Robots

What do the words Root, Ozobot, Dash and Sphero have in common? They are all bored robots waiting for someone to code them for fun! Come learn how in the AI and Fran Olson Children's Makerspace. This event is unregistered and has a limit of 10 participants. **Ages 9 to 12.**

Summer Starts at EPL:

Opening Fair!

Join us at the library for some good old-fashioned fun and excitement as we kick off our summer activities here at EPL! This event is unregistered.

Adult

Book Clubs of EPL: Girl, Woman, Other

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read.

This month we will be reading *Girl, Woman, Other* by Bernardine Evaristo. After registering for this event, please check your email for instructions on how to get your copy!

NOTE: Registration required

English Conversation Circle (LACE)

Practice your English with others.

A group of amazing volunteers are ready to assist with your learning as you discuss topics of interest in a comfortable and friendly environment.

NOTE: Registration recommended

Computer Skills: Creating an Email Account

This is a class for those who are new to computers including English language learners and seniors. You will learn how to create an email account and what an email address can be used for. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

NOTE: Registration required

Computer Skills: Introduction to Using Email

This is a class for those who are new to computers including English language learners and seniors. You will learn about receiving and sending emails, including attaching files, as well as email safety. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

NOTE: Registration required

Computer Skills: Internet Safety and Privacy

This is a class for those who are new to computers including English language learners and seniors. You will be introduced to the risks involved in using the Internet as well as ways to identify threats and protect yourself and your devices.

A laptop will be provided for this class.

NOTE: Registration required
