## Adult

### Life Skills: Composting & Soil Building

Are you curious about composting at home? Want to learn how to turn household food scraps into a valuable resource for your garden, grass and potted plants? Join compost experts from the City of Edmonton to learn what you can do with plants, leaves, branches and food scraps.

### Tech Time

Drop-in - Join one of three available 20-minute timeslots upon arrival. Need some one-on-one tech help? Bring your device and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member.

Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

We are unfortunately not qualified to fix a damaged device or replace components.

Need tech help but this time slot doesn't work for you? Come by the library desk anytime and we can help you troubleshoot your device!

### English Conversation Circle (LACE)

Practice your English with others. A group of amazing volunteers are ready to assist with your learning as you discuss topics of interest in a comfortable and friendly environment.

### Book Clubs of EPL: The Last Kingdom

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read.

This month we will be reading *The Last Kingdom* by Bernard Cornwell. After registering for this event, please check your email for instructions on how to get your copy!
