Summer starts at epl!
Summer Starts at EPL programs are listed in BLUE coloured font.

Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages birth to 12 months.**

NOTE: Registration Recommended

Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 to 8.**

Lego at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others.

Ages 6 to 12.

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for singing, rhyming and signing! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Siblings are welcome.

Interested in attending with a group of children? Please contact the branch about early literacy classes more suited to groups.

Ages birth to 3. NOTE: Registration Recommended

Rowdy Robots

What do the words Root, Ozobot, Dash and Sphero have in common? They are all bored robots waiting for someone to code them for fun! This event has a limit of 15 participants.

Ages 9 to 12. NOTE: Registration Required

Summer Starts at EPL:

Opening Fair!

Join us at the library for some good old-fashioned fun and excitement as we kick off our summer activities here at EPL! This event is unregistered.

Exploring Aquarium Life

Ever wondered about the fascinating fish that live at the library? Join us and aquarium experts 19 Islands as we learn about EPLs unique aquatic habitats and the creatures who live in them.

You will see a variety of ocean life and learn about them and their role in the ocean and in your home aquarium. This event is unregistered and has a limit of 40 participants. **Family.**

Teen

The Learning Table

Learning new concepts can be tough so let us help you out! If you are looking to improve your grades, get help with your homework, better understanding math and math practice, or additional school support, then join the Learning Table!

The Learning Table is a free after school program for newcomer youth and refugees in junior and senior high school. This class is offered in partnership with Action for Healthy Communities.

NOTE: Registration Required

Teen Talk

Calling all teens! Come and chat with library staff and other teens. Stop by and play a game or create something new!

Teen Gaming

Come to the library and hone your skills by playing some of the best video games out there.

Adult

Computer Skills: Creating an Email Account

This is a class for those who are new to computers including English language learners and seniors. You will learn how to create an email account and what an email address can be used for. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

NOTE: Registration Required

Computer Skills: Internet Safety and Privacy

This is a class for those who are new to computers including English language learners and seniors. You will be introduced to the risks involved in using the Internet as well as ways to identify threats and protect yourself and your devices. A laptop will be provided for this class. **NOTE: Registration Required**

Computer Skills: Smartphones and Tablets

This is a class for those who are new to tablets and smartphones or are looking to become more confident using these devices, including English language learners and seniors. You will learn the basic differences between Apple and Android, how to navigate your device, what the different icons mean, how to find and adjust your settings, and what apps are and how to access them. No prior knowledge is required.

Tablets will be provided. Bring your own device (smartphone and/or tablet) if you have one!

NOTE: Registration Required

Computer Skills: Introduction to Microsoft Excel

This is a class for those who are new to computers including English language learners and seniors. You will learn what Excel is and what it can be used to do, how to enter, edit and format data in a spreadsheet and an introduction to constructing basic formulas. You should already know basic computer parts and terms, how to use a mouse and keyboard, and how to navigate Microsoft Windows.

A laptop and mouse will be provided for this class.

NOTE: Registration Required
