Children

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for singing, rhyming and signing! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Siblings are welcome. Interested in attending with a group of children? Please contact the branch about early literacy classes more suited to groups. **Ages birth to 3.**

NOTE: Registration Recommended

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages birth to 12 months.**

NOTE: Registration Recommended

Preschool Problem Solvers

Looking for opportunities that help build school skills and encourage independence? Preschool Problem Solvers introduces shapes, numbers, colours and classroom behaviour to children aged four to five. In this class, they will dance, sing, investigate and have fun! Parents may choose to participate or let their child attend solo. All parents must remain in the library for the duration of the class. This class has a limit of 15 participants. **Ages 4-5.**

NOTE: Registration required

Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 to 8.**

Lego at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others.

Ages 6 to 12.

After School Lounge

Join other kids in the program room to play video games, make a DIY project, meet friends or just hang out. **Ages 9 to 12.**

Teen

Teen Lounge

Calling all teens! Come and chat with library staff and other teens. Stop by and play a game or create something new!

Youth Talk

Practice your communication skills and gain familiarity with Canadian society and culture in this conversation-based class designed for newcomer youth.

Adult

VOCABULARY CLUB: English Conversation Class

Join our fun English vocabulary and conversation class at the library! This program is perfect for people who are just starting to learn English. In this class, you'll discover everyday English words and how to use them. You'll practice using these words in conversations and other activities. We'll mainly focus on building your vocabulary, improving your speaking skills, and doing some simple reading.

Book Clubs of EPL: Tom Lake

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. This month we will be reading *Tom Lake* by Ann Patchett.

NOTE: Registration Required

Computer Skills: Introduction to Microsoft Excel

This is a class for those who are new to computers including English language learners and seniors. You will learn what Excel is and what it can be used to do, how to enter, edit and format data in a spreadsheet and an introduction to constructing basic formulas. You should already know basic computer parts and terms, how to use a mouse and keyboard, and how to navigate Microsoft Windows. A laptop and mouse will be provided for this class.

NOTE: Registration Required

Computer Skills: Internet Safety and Privacy

This is a class for those who are new to computers including English language learners and seniors. You will be introduced to the risks involved in using the Internet as well as ways to identify threats and protect yourself and your devices. A laptop will be provided for this class. **NOTE: Registration Required**

Computer Skills: Introduction to Using Computers

This is a class for those who are new to computers including English language learners and seniors. You will learn about the types of computers, what computer parts are called, and how to use a mouse and keyboard. No prior knowledge is required.

NOTE: Registration Required

Computer Skills: Introduction to Microsoft Windows

This is a class for those who are new to computers including English language learners and seniors. You will learn how to navigate a Windows desktop and file system as well as common Windows programs for everyday tasks. You should already know basic computer parts and terms, and how to use a mouse and keyboard. A laptop will be provided for this class.

NOTE: Registration Required

Computer Skills: Introduction to Typing and Microsoft Word

This is a class for those who are new to computers including English language learners and seniors. You will learn typing basics, how to use Microsoft Word documents and basic formatting techniques. You should already know basic computer parts and terms, how to use a mouse, and how to launch a program in Microsoft Windows. A laptop and mouse will be provided for this class.

NOTE: Registration Required
