30

Summer Starts at EPL programs are listed in BLUE coloured font.

Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages up to 12 months.**

NOTE: Registration is recommended

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**

NOTE: Registration is recommended

Preschool Problem Solvers

Getting your child ready for preschool? Looking for opportunities that help build school skills and encourage independence? Preschool Problem Solvers introduces shapes, numbers, colours and classroom behaviour to children aged four to five. In this class, they will dance, sing, investigate and have fun! Parents may choose to participate or let their child attend solo. All parents must remain in the library for the duration of the 30 minute class. **Ages 4 to 5.**

NOTE: Registration Required

Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 to 8.**

Lego at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others. **Ages 6 to 12.**

Rowdy Robots

What do the words Root, Ozobot, Dash and Sphero have in common? They are all bored robots waiting for someone to code them for fun! This event is registered and has a limit of 10 participants.

Ages 9 to 12. NOTE: Registration Required

Summer Starts at EPL:

Opening Fair!

Join us at the library for some good old-fashioned fun and excitement as we kick off our summer activities here at EPL! This event is unregistered.

Superhero Academy

It's a bird... it's a plane... it's YOU after the superhero academy! From bravery to crime-fighting, learn everything you need to know about becoming a superhero. This event is unregistered and has a limit of 40 participants. **Ages 6 to 8.**

Teen

The Learning Table

Learning new concepts can be tough so let us help you out! The Learning Table is a free after school class for newcomer youth and refugees in junior high and high school. Youth can get help with their homework, practice English, boost their academic study skills, and join a reading club - all in a positive, supportive environment. This class is offered in partnership with Action for Healthy Communities.

NOTE: Registration Required

Youth Talk

Practice your communication skills and gain familiarity with Canadian society and culture in this conversation-based class designed for newcomer youth.

This in person class is offered in partnership with Action for Healthy Communities. It is also offered as a virtual class through Google Meet. Contact Basem Alrahim for more details.

NOTE: Registration Required

Teen Lounge

Join other teens to play video games, make a DIY project, meet friends or just hang out.

Family

Under the Sky Family Storytime

Join us for Family Storytime with a twist...a storytime outside! Meet in the park behind the library to participate in stories and rhymes. Not sure where to go? Ask staff in the library to show you the way. The show will go in most weather, but in case of extreme conditions it will run indoors in the Program Room.

This event is limited to 30 participants.

Adult

Financial Literacy: Fraud Protection

This workshop is for anyone who wants to better understand fraud and how to protect yourself. Learn to recognize the signs of victimization, understand the different types of fraud, and obtain tools and resources to help protect yourself from becoming a victim.

NOTE: Registration Required

Book Clubs of EPL: Transcendent Kingdom

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. This month we will be reading *Transcendent Kingdom* by Yaa Gyasi.

NOTE: Registration Required

Computer Skills: Creating an Email Account

This is a class for those who are new to computers including English language learners and seniors. You will learn how to create an email account and what an email address can be used for. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

NOTE: Registration Required

Computer Skills: Introduction to Using Email

This is a class for those who are new to computers including English language learners and seniors. You will learn about receiving and sending emails, including attaching files, as well as email safety. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser. A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

NOTE: Registration Required

Computer Skills: Internet Safety and Privacy

This is a class for those who are new to computers including English language learners and seniors. You will be introduced to the risks involved in using the Internet as well as ways to identify threats and protect yourself and your devices. A laptop will be provided for this class. **NOTE: Registration Required**

Computer Skills: Smartphones and Tablets

This is a class for those who are new to computers including English language learners and seniors. You will learn the basics of navigating your device, modifying your settings, and recognizing common icons and apps. **NOTE: Registration Required**
