Vocabulary Club: English Conversation Class

This program is perfect for people who are just starting to learn English. In this class, you'll discover everyday English words and how to use them. You'll practice using these words in conversations and other activities. We'll mainly focus on building your vocabulary, improving your speaking skills, and doing some simple reading.

Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member.

Tech Time is divided into four 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos.

We are unfortunately not qualified to fix a damaged device or replace components.
