30

Summer Starts at EPL programs are listed in BLUE coloured font.

## Children

### Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**

**NOTE: Registration Required**

### STEAM Lab

Full STEAM ahead! From robot battles to hovercrafts to building your own games, discover all things Science, Technology, Engineering, Art and Math. You're invited to try new things and create stuff at this class for junior makers. **Ages 9 to 12.**

### Rowdy Robots

What do the words Root, Ozobot, Dash and Sphero have in common? They are all bored robots waiting for someone to code them for fun! This event has a limit of 10 participants.

**Ages 9 to 12.**

## Summer Starts at EPL:

### Opening Fair!

Join us at the library for some good old-fashioned fun and excitement as we kick off our summer activities here at EPL! This event is unregistered.

### Code Breakers

Do you know how to decipher secret messages? Learn all about coding and ciphers and become a digital dynamo! Explore a variety of fun digital and analog ways to decode and join in the exciting activities. This event is unregistered and has a limit of 40 participants. **Ages 6 to 8.**

### Root Robots: Lost in Space

Root Robots have escaped the space station and are lost in the galaxy! Code the constellations in the starry sky to help guide their way home. This event is unregistered and has a limit of 30 participants. **Ages 9 to 12.**

## Teen

### Youth Talk

Practice your communication skills and gain familiarity with Canadian society and culture in this conversation-based program designed for newcomer youth. This class is offered in collaboration with Action for Healthy Communities.

## Adults

### English Conversation Circle (LACE)

Drop in and join others who also want to practice their English. English Conversation Circle is part of Catholic Social Services' Learning and Community Enrichment (LACE) program. Call Catholic Social Services at 780-424-3545 for more information.

### Practise English @ Your Library

Are you learning English? Practise your English language skills, meet new friends and have some fun. We'll have conversations about many different topics, using materials from the library. A library staff member will lead the group. English speakers at all levels are welcome!

## Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member. Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos.

We are unfortunately not qualified to fix a damaged device or replace components.

### Book Clubs of EPL: Maisie Dobbs

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. We will be reading *Maisie Dobbs* by Jacqueline Winspear.

**NOTE: Registration Required**

### Computer Skills: Creating an Email Account

This is a class for those who are new to computers including English language learners and seniors. You will learn how to create an email account and what an email address can be used for. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

**NOTE: Registration Required**

### Computer Skills: Introduction to Using Email

This is a class for those who are new to computers including English language learners and seniors. You will learn about receiving and sending emails, including attaching files, as well as email safety. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

**NOTE: Registration Required**

### Computer Skills: Internet Safety and Privacy

This is a class for those who are new to computers including English language learners and seniors. You will be introduced to the risks involved in using the Internet as well as ways to identify threats and protect yourself and your devices.

A laptop will be provided for this class.

**NOTE: Registration Required**

### Computer Skills: Smartphones and Tablets

This is a class for those who are new to computers including English language learners and seniors. You will learn the basics of navigating your device, modifying your settings, and recognizing common icons and apps. **NOTE: Registration Required**
