\*All classes are drop in unless otherwise specified

## Children

### Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**

**NOTE: Registration Recommended**

### Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages up to 12 months.**

**NOTE: Registration Recommended**

### Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6-8.**

### Preschool Problem Solvers

Looking for opportunities that help build school skills and encourage independence? Preschool Problem Solvers introduces shapes, numbers, colours and classroom behaviour to children aged four to five. In this class, they will dance, sing, investigate and have fun! Parents may choose to participate or let their child attend solo. All parents must remain in the library for the duration of the 30 minute class. **Ages 4-5. NOTE: Registration Required**

### Make It: Paper Grocery Store

Inspired by techniques from cool maker Engineering with Paper, library staff will show you how to make a store with mini fruits and vegetables, shelves, knick-knacks and maybe even a grocery cart or two. All out of paper and tape. **Ages 6-8.**

**NOTE: Registration Required. Limit of 10 participants.**

## Teen

### Youth Talk

Practice your communication skills and gain familiarity with Canadian society and culture in this conversation-based program designed for newcomer youth. This class is offered in collaboration with Action for Healthy Communities.

### Teen Gaming

Come to the library and hone your skills by playing some of the best video games out there.

## Adults

### English Conversation Circle (LACE)

Practice your English with others. A group of amazing volunteers are ready to assist with your learning as you discuss topics of interest in a comfortable and friendly environment. English Conversation Circle is part of Catholic Social Services' Learning and Community Enrichment (LACE) program. Call Catholic Social Services at 780-424-3545 for more information.

**NOTE: Registration Recommended**

### VOCABULARY CLUB: English Conversation Class

Join our fun English vocabulary and conversation class at the library! This program is perfect for people who are just starting to learn English. In this class, you'll discover everyday English words and how to use them. You'll practice using these words in conversations and other activities. We'll mainly focus on building your vocabulary, improving your speaking skills, and doing some simple reading.

### Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member.

Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos.

We are unfortunately not qualified to fix a damaged device or replace components.

### Computer Skills: Introduction to Using Computers

This is a class for those who are new to computers including English language learners and seniors. You will learn about the types of computers, what computer parts are called, and how to use a mouse and keyboard. No prior knowledge is required. A laptop and mouse will be provided for this class.

**NOTE: Registration Required**
