Summer!
starts at epl!

Summer Starts at EPL
programs are listed in
BLUE coloured font.

Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages up to 12 months. NOTE: Registration recommended**

Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 to 8.**

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3. NOTE: Registration recommended**

STEAM Lab

Full STEAM ahead! From robot battles to hovercrafts to building your own games, discover all things Science, Technology, Engineering, Art and Math. You're invited to try new things and create stuff at this class for junior makers. **Ages 9 to 12.**

Rowdy Robots

What do the words Root, Ozobot, Dash and Sphero have in common? They are all bored robots waiting for someone to code them for fun! This event is unregistered and has a limit of 10 participants. **Ages 9 to 12.**

Summer Starts at EPL:

Opening Fair!

Join us at the library for some good old-fashioned fun and excitement as we kick off our summer activities here at EPL! This event is unregistered.

Parachute Party!

Parachute games? Yes please! Learn about rhythm and listening skills as we break out the parachute and balls and have a blast! This event is unregistered and has a limit of 30 participants. **Preschooler.**

Family

Family Storytime

Enjoy stories, songs, and rhymes suitable for the whole family.

Teen

GSA Youth Drop-In

EPL invites you to a drop-in GSA at Mill Woods Library. This is a safe and respectful space for LGBTQ2S+ youth and allies to:

- socialize
- hear from guest speakers
- get information and resources
- do fun activities
- eat snacks!

Adult

Book Clubs of EPL: Moccasin Square Gardens

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. This month we will be reading:

Moccasin Square Gardens by Richard Van Camp.

NOTE: Registration required

English Conversation Circle (LACE Program)

Drop in and join others who also want to practice their English. English Conversation Circle is part of Catholic Social Services' Learning and Community Enrichment (LACE) program. Call Catholic Social Services at 780-424-3545 for more information.

Community-Based Budgeting Project 2023

Last year, our team launched the Community-Based Budgeting project, where everyday Edmontonians had the chance to help us decide how to spend part of our Ward budget, putting money right back into the community.

NOTE: Registration required

Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member.

Financial Literacy: Ten Healthy Habits of Financial Management

This workshop is for anyone who would like to become a better money manager! You will learn healthy habits and obtain resources that will help get your finances in order.

Financial Literacy: Planning for Retirement

This workshop is for anyone who would want to understand how to effectively plan for the retirement they desire.

Financial Literacy: Fraud Protection

This workshop is for anyone who wants to better understand fraud and how to protect yourself. Learn to recognize the signs of victimization, understand the different types of fraud, and obtain tools and resources to help protect yourself from becoming a victim.

Cricut 101

In this introductory class, learn the process for making a simple project on the Cricut. You'll learn the basics of creating designs, how to use the library's Cricut Maker, and how to assemble your project. Cricut 101 classes are not part of a series; each class will cover the essential information you need to use Cricut machines (currently available at the Stanley A Milner Library and the Londonderry Branch) Cricut machines and materials will be provided by the library. **Ages teen to adult. NOTE: Registration required**

Computer Skills: Creating an Email Account

This is a class for those who are new to computers including English language learners and seniors. You will learn how to create an email account and what an email address can be used for. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required. **Ages teen to adult. NOTE: Registration required**

Computer Skills: Introduction to the Windows desktop

This is a class for those who are new to computers including English language learners and seniors. You will learn how to navigate a Windows desktop and file system as well as common Windows programs for everyday tasks. You should already know basic computer parts and terms, and how to use a mouse and keyboard. A laptop will be provided for this class. **NOTE: Registration required**

Computer Skills: Introduction to Using Email

This is a class for those who are new to computers including English language learners and seniors. You will learn about sending and receiving emails, attaching files to an email, and email safety. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required. **Ages teen to adult.**

NOTE: Registration required

Computer Skills: Introduction to Typing and Microsoft Word

This is a class for those who are new to computers including English language learners and seniors. You will learn typing basics, how to use Microsoft Word documents and basic formatting techniques. You should already know basic computer parts and terms, how to use a mouse, and how to launch a program in Microsoft Windows. A laptop and mouse will be provided for this class.

Ages teen to adult. NOTE: Registration required

Computer Skills: Internet Safety and Privacy

This is a class for those who are new to computers including English language learners and seniors. You will be introduced to the risks involved in using the Internet as well as ways to identify threats and protect yourself and your devices. A laptop will be provided for this class. **Ages teen to adult.**

NOTE: Registration required

Computer Skills: Introduction to Browsing and Searching the Internet

This is a class for those who are new to computers including English language learners and seniors. You will learn about what the internet is, how to use a web browser, and how to browse and search the internet. You should already know basic computer parts and terms, how to use a mouse and keyboard, and how to navigate Microsoft Windows. A laptop and mouse will be provided for this class.

Ages teen to adult. NOTE: Registration required
