Summer Starts at EPL programs are listed in BLUE coloured font.

## Children

### Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. Ages up to 12 months.

**NOTE: Registration recommended**

### STEAM Lab

Full STEAM ahead! From robot battles to hovercrafts to building your own games, discover all things Science, Technology, Engineering, Art and Math. You're invited to try new things and create stuff at this class for junior makers. **Ages 9 to 12.**

### Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**

**NOTE: Registration recommended**

### Rowdy Robots

What do the words Root, Ozobot, Dash and Sphero have in common? They are all bored robots waiting for someone to code them for fun! **Ages 9 to 12.**

### Summer Starts at EPL:

#### Over the Rainbow Storytime with Drag Queen, Selena Cuchina!

Participate in a fabulous storytime this summer with local drag queen Selena Cuchina! This family-friendly program will showcase stories that explore diversity and inclusion, song performances and maybe even a little glitter. This event is unregistered and has a limit of 50 participants.

**All Ages.**

#### Opening Fair!

Join us at the library for some good old-fashioned fun and excitement as we kick off our summer activities here at EPL! This event is unregistered.

#### Old MacDonald Dance Party

Make an animal outfit and create a dance that's a rockin' good time! This event is unregistered and has a limit of 30 participants.

**Preschooler.**

## Teen

### Young Writers Conference

Love to write? Want to meet others with the same passion? Interested in tips from a pros? If you're between the ages of 12-15, join us for a day of writing workshops with author and EPL Writer-in-Residence Kate Boorman, comic writer and illustrator Kyle Charles, EPL Makerspace Assistant Eliot Howard, and spoken word poet Shima Robinson. This event will run from 10am-4pm. Lunch and a snack will be provided.

**NOTE: Registration required**

## Family

### Family Storytime

Enjoy stories, songs, and rhymes suitable for the whole family. This session is a drop-in class. No registration required.

## Adult

### Bissell Centre Housing Workshop

Experiencing houselessness or possibly facing it? Looking for stable long term housing? Meet with Bissell Centre's Housing Navigators at a drop in housing workshop – no appointment required. They can help you:

Check on your situation with Homeward Trust and let you know what supports you are eligible to access  
Search and contact affordable housing options  
Know the laws and rights around being a tenant  
Connect with other useful resources and programs

**NOTE: Bissell Centre Housing Workshops cannot provide immediate shelter, emergency housing, or crisis response. The focus is long-term stability and sustainability.**

### Craft & Chat

Create and have fun with other crafters. Bring your knitting, sewing, paper crafts, or any other creative project to work on, or find inspiration at the library. Beginners and more seasoned crafters welcome!

### Computer Skills: Creating an Email Account

This is a class for those who are new to computers including English language learners and seniors. You will learn how to create an email account and what an email address can be used for. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser. A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

**NOTE: Registration required**

### Computer Skills: Introduction to Using Email

This is a class for those who are new to computers including English language learners and seniors. You will learn about receiving and sending emails, including attaching files, as well as email safety. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser. A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

**NOTE: Registration required**

### Computer Skills: Smartphones and Tablets

This is a class for those who are new to computers including English language learners and seniors. You will learn the basics of navigating your device, modifying your settings, and recognizing common icons and apps.

**NOTE: Registration required**

### Computer Skills: Internet Safety and Privacy

This is a class for those who are new to computers including English language learners and seniors. You will be introduced to the risks involved in using the Internet as well as ways to identify threats and protect yourself and your devices.

A laptop will be provided for this class.

**NOTE: Registration required**

### Book Clubs of EPL: Anxious People

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. We'll be reading *Anxious People* by Fredrik Backman.

**NOTE: Registration required**

### Energy Talks

This speaker series is presented in partnership with Future Energy Systems. They focus on multidisciplinary research that develops the energy technologies of today and the near future, integrates them into today's infrastructure, and examines possible consequences for our society, economy, and environment. **NOTE: Registration required**
