Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. Register one person to reserve a spot for your family. Registered spots are guaranteed until the class begins. **Ages birth to 12 months. NOTE: Registration recommended**

Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 to 8.**

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement.

Ages birth to 3. NOTE: Registration recommended

STEAM Lab

Full STEAM ahead! From robot battles to hovercrafts to building your own games, discover all things Science, Technology, Engineering, Art and Math. You're invited to try new things and create stuff at this class for junior makers. **Ages 9 to 12.**

Reading Buddies

THIS CLASS IS FOR CHILDREN IN GRADES 2 TO 4 ONLY. Do you love to read? Do you want to have fun, make new friends and practice your reading skills? Reading Buddies is a class that matches teen mentors with kids in Grades 2-4. Through interactive games and activities, buddies share their enthusiasm for reading. If your child is in Grades 2-4, please register for a spot in the class or contact your local branch for more information. If you're a teen who would like to volunteer, visit www.epl.ca/volunteer for more information. **Ages 6 to 8.**

NOTE: Registration required

LEGO at the Library

Calling all LEGO lovers! Come to the library to design and build a LEGO creation. Share your building tips and tricks with others. **Ages 6 to 12.**

Spring Break Starts Here:

Guess Who!

Let's use our growing deductive skills to solve the case of the missing cookies! We'll sing songs, read a story, and solve some mysteries together. **Preschooler.**

Undercover Robots

Design and create an undercover disguise to bring your robot spy to life. Test your creativity and coding skills to complete your chosen challenge!

Ages 6 to 8.

Seek and Find Book Design

Fans of I Spy or Where's Waldo books unite! Are you a keen observer? Do you have an eye for hidden things? Show off your skills by creating your very own seek and find book! **Ages 9 to 12.**

Escape from Terror-Bot Island

Create Dr. Villain's treacherous secret island base and then help the Ozobots save the world by coding their escape! **Ages 9 to 12.**

Animal Fun with Zoo 2 U

Learn about a variety of animals and reptiles and you might even have a chance to meet one or two up close! Zoo 2 U is excited to share their appreciation for all creatures. **Family.**

Video Game Tournament

Head on over to the library for a Video Game Tournament! We can't wait to get our game on! **Ages 9 to 12.**

Lego Lands - Secret Hideouts

Get inspired by stories, create a character, build a getaway vehicle, and then create a secret hideout using LEGO! **Ages 6 to 8.**

Teen

Teen Lounge

Join other teens to play video games, make a DIY project, meet friends or just hang out.

Adult

Bissell Centre Housing Workshop

Experiencing houselessness or possibly facing it? Looking for stable long term housing? Meet with Bissell Centre's Housing Navigators at a drop in housing workshop – no appointment required. They can help you:

- Check on your situation with Homeward Trust and let you know what supports you are eligible to access
- Search and contact affordable housing options
- Know the laws and rights around being a tenant
- Connect with other useful resources and programs

Note: Bissell Centre Housing Workshops cannot provide immediate shelter, emergency housing, or crisis response. The focus is long-term stability and sustainability. **Teen to Adult.**

Friendly English Conversation

Drop-in and practice your English skills through conversation about current topics. This free, beginner English class helps you to improve:

- conversation skills
- reading skills
- pronunciation
- English grammar
- confidence in using English
- understanding of Canadian culture

This class is open to all newcomers to Canada. This class is offered in collaboration with Jewish Family Services. 15 spaces are available. Please arrive early to complete the intake information.

Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member. Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule. Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos. We are unfortunately not qualified to fix a damaged device or replace components.

Seniors' Drop-In

Have a coffee, meet with other seniors, and come if you like cards, conversation and community.

Pop Culture Club: Bridgerton Paper Dolls

Pop Culture Club is a program series aimed at adults exploring topics that capture the cultural zeitgeist of the time. If you loved the fashion and style of Bridgerton, this is the event for you! We'll be creating a paper doll and designing an outfit for it which will be the envy of the Ton, may catch the eye of any eligible matches, or maybe even impress the Queen! Come chat with other Bridgerton fans while enjoying a fun and fashionable paper doll activity.

NOTE: Registration required

Computer Skills: Introduction to Microsoft Excel

This is a class for those who are new to computers including English language learners and seniors. You will learn what Excel is and what it can be used to do, how to enter, edit and format data in a spreadsheet and an introduction to constructing basic formulas. You should already know basic computer parts and terms, how to use a mouse and keyboard, and how to navigate Microsoft Windows. A laptop and mouse will be provided for this class.

NOTE: Registration required

Computer Skills: Smartphones and Tablets

This is a class for those who are new to computers including English language learners and seniors. You will learn the basics of navigating your device, modifying your settings, and recognizing common icons and apps.

NOTE: Registration required

Book Clubs of EPL: The Henna Artist

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. Please login to your account with your library card and then register to reserve a copy of the book. This month's book is: The Henna Artist by Alka Joshi. **NOTE: Registration required**
