Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member. Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos.

We are unfortunately not qualified to fix a damaged device or replace components.
