FOR IMMEDIATE RELEASE

### JOIN *me*, SHOW *me*, FREE *me* CHANGE YOUR CARD TO A *me* CARD

October is Canadian Library Month and libraries in the Metro Edmonton area have come together to offer an amazing opportunity for library customers.

Anyone who is a member of the Edmonton, St. Albert, Strathcona County or Fort Saskatchewan libraries can now apply for a free upgrade to their existing library card, which entitles them to borrow items from any of these libraries.

The ME Card opens up a world of possibility, providing access to the combined physical collections of the Metro Edmonton Federation libraries – over 3 million items – and a simple online registration process is all that’s required.

“We are pleased and excited to share EPL content with library users beyond Edmonton,” said Linda Cook, CEO of the Edmonton Public Library. “The ME Card offers convenience and choice in both collection and location, and with over 3 million items in our libraries, the options are endless.”

Due to licensing restrictions, eBooks and other digital content cannot be part of the new borrowing privileges, but those who sign up for a ME Card will be able to access physical collections and programs offered at each of the participating libraries.

“There is no better way to celebrate our Centennial than offer library customers in the Greater Edmonton area the ability to use whichever library is most convenient for them on a particular day,” said Cook.

Library cards can be upgraded at [www.melibraries.ca](http://www.melibraries.ca).

## Notes to editors:

- Customers under 18 are able to have a 'me' card, but due to the need for an adult to act as guarantor, children and teens cannot register for a 'me' card online.
- The Metro Edmonton Federation of Libraries consists of: Edmonton Public Library, St. Albert Public Library, Fort Saskatchewan Public Library and Strathcona County Library. Libraries in the federation collaborate on programs, projects and events, share methods to help customers learn to use eReaders and download eBooks, and support the Edmonton International Literary Festival (LitFest) by contributing ideas and hosting events at their venues.
