## August Classes:

### Children

#### Evil Genius Club

Full STEAM ahead! From robot battles to music to photography, enjoy all things Science, Technology, Engineering, Art and Math. You're invited to hang out, bring friends, try things and create stuff at this drop-in club for maniacal makers. **Ages 9 to 12.**

#### LEGO at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others. **Ages 6 to 12.**

#### Makercade

Enjoy playing Minecraft? Love Roblox? Do you have an itch to build and create great new things? Let's play some video games! Explore a variety of new gaming titles and develop incredible new building, making, and creating skills.

**Ages 6 to 12.**

#### Preschool Problem Solvers

Getting your child ready for preschool? Looking for opportunities that help build skills and encourage independence? Preschool Problem Solvers introduces shapes, numbers, colors and classroom behavior in a fun, energy filled way! Children aged three to five will dance, sing, investigate and have fun! Parents may choose to participate or let their child attend solo. **All parents must remain in the library for the duration of the 30 minute class.**

#### Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for singing, rhyming and signing! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Siblings are welcome.

Interested in attending with a group of children? Please contact the branch about early literacy classes more suited to groups.

#### Teen Lounge Jr.

Join other teens to play video games, make a DIY project, meet friends or just hang out. **Ages 9 to 12.**

### Teen

#### Teen Gaming

Come to the library and hone your skills by playing some of the best video games out there.

### Family

#### Community Expert Series: Beading for the Soul

Learn to bead alongside Community Experts Joanne Wood (teacher) and Crispin Kontz (helper). You will explore Cree language and cultural traditions while practicing various aspects of beadwork. You can take home completed projects and learn a skill that will last a lifetime. This class welcomes people of all ages and skill levels and all necessary supplies will be provided.

#### Drop-In Single Session Counselling

Professional private and confidential counselling offered to individuals, couples/partners and families with a therapist from The Family Centre. Single sessions take up to 50 minutes and are offered on a first-come, first-serve basis, so please be prepared to wait or be referred to another location.

#### Family Films at the Library

EPL has a great selection of children's films for the entire family. Join us for a family fun movie and popcorn!

#### National PlayDay

Come and play with your child in an environment designed to stimulate their creativity! This fun-filled PlayDay, part of a worldwide play movement organized by the International Play Association, will allow children and their caregivers to experience the positive impact of play on a child's development. A variety of loose parts, materials and games will be available to spark your child's imagination.

#### Retro Movie Night

Join us for a totally rad, totally retro summer movie night. We'll be screening a classic summer movie, accompanied by popcorn! Cast your vote for the movie we show when you drop by Abbottsfield-Penny McKee Branch.

# DR. CHRIS NOWINSKI:
