August Classes:

Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers.

Ages up to 12 months.

Happy Campers: T-Shirt Edition

Forget camping out in the wilderness with gross mosquitoes and no toilets. Come for a summer camp afternoon at the library! We'll be singing, reading stories, doing arts and crafts, and playing games. Make sure you're not homesick by bringing your favourite stuffed animal to camp. Why? We'll be designing and pressing a tiny camp t-shirt for your plush pal to take home.

Reading Buddies

THIS CLASS IS FOR CHILDREN IN GRADES 2 TO 4 ONLY.

Do you love to read? Do you want to have fun, make new friends and practice your reading skills? Reading Buddies is a class that matches teen mentors with kids in Grades 2–4. Through interactive games and activities, buddies share their enthusiasm for reading. If your child is in Grades 2–4, please register for a spot in class or contact your local branch for more information. If you're a teen who would like to volunteer, visit www.epl.ca/volunteer for more information. **Ages 6 to 8.**

Ru Bot's Drag Race

Can robots be fabulous? Work with a small team or a partner to express your creativity – you'll build a fierce look while learning how to code with EPL's robots. Your team will receive expert advice from our guest judges – a local Drag Queen and Drag King – to help elevate your style. Will *your* bot slay on the runway? Register early – space in this free event is limited!

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for singing, rhyming and signing! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Siblings are welcome.

Interested in attending with a group of children? Please contact the branch about early literacy classes more suited to groups.

Family

Books2Buy

At the library Book Sale, you can take our stuff home with you... and keep it! EPL is constantly adding new materials to our collection, and we put aside any excess materials for our very popular Library Book Sales. The Enterprise Square Library hosts six events a year to give the public the chance to get some great deals on books, movies, music and more. Several times a year we also give you the chance to get these great deals at many of our branches. Tell your friends and don't miss out!

Family Films at the Library

EPL has a great selection of children's films for the entire family. Join us for a family fun movie.

Game Night

Board Games, card games, table top games, role-playing games—whatever you like to play is fair game! Pull up a chair and join in the fun. Players of all ages and experience levels are welcome to play any of our games, but feel free to bring something special from your personal collection to share!

Dungeons & Dragons - Grab your character sheet, join a party, and set out for adventure in Dungeons & Dragons, a pencil-and-paper role-playing game published by Wizards of the Coast. If you have ever been curious about how to start playing, now is your chance! During each session we will introduce players of all ages to the core rules and concepts. Play with one of our pre-made characters or email us before the game and we'll help you create a new character. (NOTE: Please let us know if you are an experienced DM who loves introducing the game to new players!)

***Limited Space Available; RSVPs are encouraged, but not required**

Hearthstone Fireside Gathering - Hearthstone is a fast paced free-to-play online collectible card games set in the World of Warcraft universe. Pull up a chair, draft a deck and have fun! We run a friendly competitive events each night, but also make room for Tavern Brawls, arena drafts, kibitzing, deck tips, side events and plenty of friendly banter. Whether you are a Novice Engineer or a Stormwind Champion, players of all levels are welcome! Participation is always free, and we also can provide a laptop if you require a device to play on.

League of Legends is one of the world's largest free multiplayer online battle arena games! Test your skills, bring a buddy and have fun. The first Friday of every month is time to come together and play friendly scrimmages with League players from all over Edmonton. We welcome players of every skill level! As always, participation is free, and we provide the computers.

Retro Gaming - Remember when video game controllers only had 2 buttons? Remember the tragedy of starting your entire game over because you couldn't save? Ever blow into a cartridge? If yes, than have we got a program for you! If no, come and find out what your parents are talking about! We will have classic game systems set up for you to try out and enjoy.

Make Music Mondays

Join us Monday night in the Makerspace for a chance to connect with a community of local musicians and music fans. Come jam on our instruments, or bring your own. Use our venue for an impromptu performance or music lesson. Make Music Monday is about as loud as the library gets!

National PlayDay

Come and play with your child in an environment designed to stimulate their creativity! This fun-filled PlayDay, part of a worldwide play movement organized by the International Play Association, will allow children and their caregivers to experience the positive impact of play on a child's development. A variety of loose parts, materials and games will be available to spark your child's imagination.

Adult

Family Law Series

The Edmonton Community Legal Centre will present a family law information session on a different topic each week. Topics include: Child Custody & Parenting; Child & Spousal Support and Property Division. After each presentation, there will be time for questions and answers, with an opportunity to speak directly with representatives. For the topic of the week, call the Edmonton Community Legal Centre at 780-702-1725.

Films at the Library

At EPL we have a wonderful selection of films. Stop by to watch films specially brought in for you to enjoy.

Housing Workshop

Come join us at the Bissell Centre's weekly housing workshop. Two professional outreach workers will show you some of the best housing search sites out there, teach you about affordable housing and other resources in Edmonton, and help you work through the many details of housing (e.g., damage deposits, emergency housing, rental subsidies). We're here to help assist you finding a place to call home!

Learning English for Daily Life (LED)

This class is designed to help adult newcomers to Canada fulfill their needs to overcome the language barrier so they feel comfortable and confident to communicate in their new homeland. Offered in partnership with Action for Healthy Communities.

Decal Design and Vinyl Cutting Class

In this introductory class, learn the process for making single colour custom vinyl decal for your laptop or notebook. You'll learn about which designs work best for vinyl cutting, how to use the library's vinyl cutter, and how to get your cutout ready for application. Participants will try a hands-on demonstration.

Simple Screen Printing with Vinyl Cutters

Veni, vidi, vici. I came, I saw, I... learned how to screen print using a vinyl cutter! Learn one cool trick to turn vinyl cut designs into a reusable screen-printing stencil. Bring a project idea and we'll help bring it to life. This technique can be used to create cards, logos, t-shirt designs, and more!

Tech Time

Tech Time offers a workshop environment where participants are introduced to tutorials on a wide selection of topics in variety of formats (video, text, pictorial) that can be explored to gain knowledge and improve technology-based skills. Sessions are facilitated by knowledgeable EPL staff members who will get participants started working through the available resources.

ZINEvenings

Want to share your art and writing in a new and accessible format? Want to learn more about what a zine is and how to make them? Drop-in and create your very own zine during this monthly meet-up!
