# March Programs:

## Children

### Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers.

**Ages up to 12 months.**

### Lego at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others. **Ages 6 to 8.**

### Lego Robotics Club

This passport-style Lego club will guide you through a series of lessons and challenges to program Lego Mindstorm robots. The first 20 minutes of this Lego Club will include a live demo of how to program your robot and then EPL staff, software and laptops will be available to help you complete tutorials. Each week is a new passport challenge! **Ages 9 to 12.**

### Sing, Sign, Laugh and Learn

Join us for singing, rhyming and signing. This is an inclusive program for children from birth to age three accompanied by a grown-up. Siblings are welcome. Parents will learn strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Offered in collaboration with the Edmonton Early Intervention Program. Note this is not a signing course.

### Spring Break Starts Here 2018

**Art Attack** - Channel your inner Picasso or draw your own Dali as we celebrate all things artistic together. **Ages 6 to 12.**

**Digital Scavenger Hunt** - Who doesn't love a scavenger hunt? Join us for a digital scavenger hunt in-branch by using your tablet or smartphone and a cool, free augmented reality app! Download HP Reveal by Aurasma and join in on the fun! **Ages 9 to 12.**

**Dinosaur Adventures** - Become a junior paleontologist and learn more about the amazing beasts that once ruled earth! **Ages 6 to 8.**

## Family

### Family Films at the Library

EPL has a great selection of children's films for the entire family. Join us for a family fun movie.

### Friends at the library

You are invited to join the EPL outreach workers at the downtown Enterprise Square branch for "Friends at the library": Enjoy friendly discussion, great company and snacks! Topics will be guided by the outreach workers and all voices are welcome. Get to know your community and visit with other library lovers. We hope to see you there!

### Game Night

**Board Games** card games, table top games, role-playing games—whatever you like to play is fair game! Pull up a chair and join in the fun. Players of all ages and experience levels are welcome to play any of our games, but feel free to bring something special from your personal collection to share!

**Dungeons and Dragons** Grab your character sheet, join a party, and set out for adventure in Dungeons & Dragons, a pencil-and-paper role-playing game published by Wizards of the Coast. If you have ever been curious about how to start playing, now is your chance! In this program, we will introduce players to the core rules and start out on a fresh adventure. Play with one of our pre-made characters or email us before the game and we'll help you create a new character. **Hearthstone Fireside Gathering** is a fast paced free-to-play online collectible card games set in the World of Warcraft universe. Pull up a chair, draft a deck and have fun! We run a friendly and casual best-of-three conquest tournament each night, but also make room for Tavern Brawls, arena drafts, kibitzing, deck tips, and plenty of friendly banter. All player levels are welcome. Participation is always free! We also can provide a laptop if you require a device to play on.

**League of Legends** is one of the world's largest free multiplayer online battle arena games! Test your skills, bring a buddy and have fun.

### Make Music Mondays

Join us Monday night in the Makerspace for a chance to connect with a community of local musicians and music fans. Come jam on our instruments, or bring your own. Use our venue for an impromptu performance or music lesson. Make Music Monday is about as loud as the library gets!

## Spring Break Starts Here 2018

**X - Marks the Spot** - Join Phileas Flash as he looks for the lost treasure of Balloon Beard the Pirate. On his adventure he will use his unique magic, balloon twisting and comedy to entertain and teach the benefits of reading a great book.

## Adult

### Computer Club

Learn and practice basic computer skills in a supportive environment. There will be a new topic of focus each week.

### English Conversation Circle (LACE)

Drop in and join others who also want to practice their English. English Conversation Circle is part of Catholic Social Services' Learning and Community Enrichment (LACE) program. Call Catholic Social Services at 780-424-3545 for more information.

### English Language Learner's Computer Class

Are you learning English? Practise your English language skills, meet new friends and have some fun. We'll have conversations about many different topics, using materials from the library. A library staff member will lead the group. English speakers at all levels are welcome!

### Family Law Series

The Edmonton Community Legal Centre will present a family law information session on a different topic each week. Topics include: Child Custody & Parenting; Child & Spousal Support and Property Division. After each presentation, there will be time for questions and answers, with an opportunity to speak directly with representatives. For the topic of the week, call the Edmonton Community Legal Centre at 780-702-1725.

### Films at the Library

At EPL we have a wonderful selection of films. Stop by to watch films specially brought in for you to enjoy.

### Housing Workshop

Come join us at the Bissell Centre's weekly housing workshop. Two professional outreach workers will show you some of the best housing search sites out there, teach you about affordable housing and other resources in Edmonton, and help you work through the many details of housing (e.g., damage deposits, emergency housing, rental subsidies). We're here to help assist you finding a place to call home!

### International Open Data Day 2018

Edmonton Public Library is partnering this year with the City of Edmonton to celebrate International Open Data Day 2018. We're calling all students, hackers, developers, designers, statisticians and anyone with an interest in open data to spend the day experimenting, learning and creating with open data! Build your skills in hands-on beginner, intermediate/advanced workshops and learn what kinds of open data-related projects and initiatives community groups, businesses, institutions and individuals are working.

Coffee, lunch and refreshments will be provided. Doors open at 9:00am, programming begins at 9:30am. For more information, visit [https://www.epl.ca/browse\\_program/open-data-day/](https://www.epl.ca/browse_program/open-data-day/)

### nehiyawe: Cree Language Learning

Do you want to improve your Cree language skills? Or are you interested in learning this fascinating Indigenous language? Join our Cree Language Conversation Circle, provided by the Canadian Native Friendship Centre, in a culturally appropriate and educational manner. This is a free drop-in program where you will also connect with community members and make new friends!

### P.E.A.K. To I.M.Power

The P.E.A.K. To I.M.Power (Positive Energy Action & Knowledge To Internally Manifested Power) is an ongoing personal development program designed to provide information, options and strategies to individuals whose desire it is to facilitate positive changes in their lives. This program originated in the Edmonton Remand Center aimed at men residing on the Boot Camp Units, but it has now expanded to the street and is available to anyone who is committed to creating positive changes in their lives. Our motto in PEAK, "Unleash the Power Within", speaks to our focus on empowering individuals to recognize and activate the amazing power that lies within each of us.
