Sewing Basics

Participants in this class need to have taken the Sewing Certification or 4 Week Sewing Basics course. REGISTRATION FOR THIS CLASS STARTS ON MARCH 11, 9AM. This class is designed for customers who have already taken the Sewing Certification class and have little to no prior sewing experience but want to learn how to sew. Using EPL's sewing machines you will make a simple project and learn some basic sewing techniques. To register for this class, please email milnerclasses@epl.ca.

NOTE: Registration is required

Fab Lab Birdhouses

Join us in the Fab Lab for a birdhouse workshop where we blend the rustic charm of laser cut wood with the modern versatility of permanent vinyl to create unique birdhouses suitable for both outdoor use and interior decoration. In this class, participants will construct birdhouses using laser cut wood pieces and enhance them with personalized designs using a wide array of Cricut cut permanent vinyl. **NOTE: Registration is required. There is a \$10 cost for this class. All materials will be provided. Registration is through Eventbrite.**

Sewing Machine Certification

This class is designed for customers who want to book EPL's sewing machines and have no prior sewing machine experience.

EPL offers a separate on the spot/skill test certification process for customers who already have prior sewing machine experience. If you are familiar with the skills listed below, you are not required to take the full class. Please contact the Makerspace to book a sewing appointment to complete the alternative certification process.

NOTE: Registration is required

Make it at Milner - Hot off the Press: BBQ Aprons

In this month's class, choose from a variety of designs to customize an apron. You'll learn the basics of creating designs for vinyl cutting and how to use the library's Cricut Maker and heat press. Each month is a new project from t-shirts to tote bags – the possibilities are endless! **NOTE: Registration is via Eventbrite and there is a \$10 charge for this class. Aprons and vinyl will be provided.**

Fab Lab Workshop

Are you working on a sewing, soldering or laser cutting project? Do you need some help from our knowledgeable and friendly staff? Book time during the Fab Lab Workshop and get your project finished! To the Fab Lab Workshop you must be certified on the equipment you will be using. Certification classes are held at various times during the month. **NOTE: Registration is required. To register for the Fab Lab Workshop call or email the Makerspace: 780-944-5342 or makerspace@epl.ca**

Laser Cutter Workshop

Have a laser project in mind? Need some Illustrator help? Can't wait to see your project brought to life? Join our Fabrication Assistants in a Laser Cutter Workshop where you can hone your illustrator basics and get your project laser-ready for fabrication!

NOTE: Registration is required

No Expectations Art for Adults

Express your creativity and make art in a no pressure environment. If you have never done art before or have been doing art for a while, this is for you! All supplies are provided - but no instruction! Just tools, space and time to create.

Soldering Class and Certification

The first part of this class will be Soldering Certification and then you will practice your soldering skills on a high quality PCB and end up with something fun! After taking this class you will be able to book the soldering equipment in the Makerspace to work on your own projects. **NOTE: Registration is required**

Musician in Residence: Live Instrument Jam Session

Mallory Chipman, EPL's Musician in Residence, is hosting a drop-in open jam session for some fun with our collection of instruments. Come learn and connect with other music makers of all skill levels in a fun and collaborative jam session!

Make Music: Electronic Jam Session

The EPL Makerspace is hosting a drop-in open jam session for some fun with our sampling and beat making equipment. Customers will have the chance to learn, play and connect with other music makers of all skill levels. Bring your audio creativity and join in the chaotic fun of crafting collaborative soundscapes!

This class is primarily designed for adults and teens and will be delivered in person in the Makerspace at Stanley A. Milner Library. Children under 12 are welcome to participate and will need the assistance of a caregiver.

Cricut 101: Certification

This class enables customers to book appointments on Cricut machines at select EPL branches. Completing this class will certify all participants over the age of 12 to book Cricut machines and vinyl cutters at EPL. Customers under 12 must be accompanied by a caregiver who is certified during Cricut bookings.

NOTE: Registration is required

Studio Lab Open House

Have you ever wondered what's behind those big double doors in the Makerspace marked Studio Lab? This is your chance to find out. The doors will be open and you are invited to explore EPL's newest service, Studio Lab. Studio Lab is a photo and video studio - lights, camera, action! The doors will be open 6pm-8pm.

Adobe Illustrator: Introduction to the Basics

Do you want to learn how to use design software but don't know where to start? Are you eager to create your own vector artwork to eventually turn into a vinyl or laser cut creation? Join this class to get an introduction to Adobe Illustrator!

NOTE: Registration is required

Craft & Chat - Crocheting

Join us in the Makerspace to create and have fun with other crafters. Bring your knitting or crocheting project to work on, or find inspiration at the library. Yarn and crochet hooks will be available for you to make Amigurumi - small crocheted animals.

Library staff will help you learn the basic stitches and help you with your project. Beginners and more seasoned crafters welcome!

Studio Lab Certification Class

Are you a photographer, videographer or podcaster? Then you'll want to learn how to use EPL's exciting new Studio Lab located within the Makerspace at Stanley A. Milner Library! Studio Lab is a space for audio/visual creators of any skill level. The Studio Lab is an acoustic treated black box room and it is equipped with lighting, camera, sound, and computer/software tools.

When you have completed this certification class you will be able to book the Studio Lab for full-day use.

There is no charge to book/use the Studio Lab.
