## August Classes:

### Children

#### Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages up to 12 months.**

#### Makercade

Enjoy playing Minecraft? Love Roblox? Do you have an itch to build and create great new things? Let's play some video games! Explore a variety of new gaming titles and develop incredible new building, making, and creating skills.

**Ages 6 to 12.**

#### Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for singing, rhyming and signing! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Siblings are welcome. **Ages birth to 3.**

Interested in attending with a group of children? Please contact the branch about early literacy classes more suited to groups.

### Family

#### National PlayDay

Come and play with your child in an environment designed to stimulate their creativity! This fun-filled PlayDay, part of a world-wide play movement organized by the International Play Association, will allow children and their caregivers to experience the positive impact of play on a child's development. A variety of loose parts, materials and games will be available to spark your child's imagination.
