November Classes:

Adult

Art + Healing Workshop: They didn't know we were seeds

These art therapy sessions are open to everyone but we particularly welcome people from Indigenous and Jewish communities who are survivors or intergenerational survivors of residential schools, day schools, the Sixties Scoop, the Millennial Scoop, and the Holocaust.

Participants will hear from EPL's Elder in Residence Nohkom Jo-Ann Saddleback on the meaning of art and creativity from a Nehiyaw (Plains Cree) perspective and then work with Heather Frayne, a therapist from Jewish Family Services who specializes in expressive arts therapy. Participants will work with provided art supplies to create artworks about their inner and outer face and then share with the group (if they are comfortable).

Supplies and snacks will be provided. **NOTE: Registration Required**

Audiobook Showcase

Join us to find out what new titles have been added to the audiobook collection. Staff will read aloud the summaries of audiobooks for all types of fiction as well as nonfiction. Staff are available to assist customers in placing holds on chosen titles. Certified service dogs are permitted inside the library.

NOTE: Registration Required

Audiobook Showcase Tech Support

New to audiobooks? Let EPL staff show you how DAISY discs play on a Victor Reader, or how to stream or download digital audiobooks using Libby or hoopla on your computer or mobile device. Please bring your own device if you have one. Certified service dogs are permitted inside the library.

NOTE: Registration Required

Cinema at the Centre

Treat yourself to some classic cinema on Friday afternoons. Every month is a different theme. Our theme for this month's films is "Made in Alberta." Each showing is followed by a group discussion.

Computer Skills: Introduction to Microsoft Windows

This is a class for those who are new to computers including English language learners and seniors. You will learn how to navigate a Windows desktop and file system as well as common Windows programs for everyday tasks. You should already know basic computer parts and terms, and how to use a mouse and keyboard.

If you can not attend the program, cancel your booking and reschedule for another day. EPL staff will be happy to assist you with this process.

NOTE: Registration Required

Computer Skills: Introduction to Typing and Microsoft Word

This is a class for those who are new to computers including English language learners and seniors. You will learn typing basics, how to use Microsoft Word documents and basic formatting techniques. You should already know basic computer parts and terms, how to use a mouse, and how to launch a program in Microsoft Windows. **NOTE: Registration Required**

Computer Skills: Introduction to Using Computers

This is a class for those who are new to computers including English language learners and seniors. You will learn about the types of computers, what computer parts are called, and how to use a mouse and keyboard. No prior knowledge is required. **NOTE: Registration Required**

English Conversation Circle (LACE)

Drop in and join others who also want to practice their English. English Conversation Circle is part of Catholic Social Services' Learning and Community Enrichment (LACE) program. Call Catholic Social Services at 780-424-3545 for more information.

English Writing for Adults and Language Learners

Are you learning to speak and read English and want to write better? In this class, you will learn new words and practice using them when writing. You will learn to write better sentences and paragraphs so you can be a good writer. Join "English Writing for Adults and Language Learners" and become proud of your writing skills!

This two-hour class will run twice a week (Wednesday evening and Saturday morning) from September 14 - December 3, 2022. Participants should be prepared to attend every class. **NOTE: Registration Required**

Family Centre Drop-In Counselling

Professional private and confidential counselling offered to individuals, couples/partners and families with a therapist from The Family Centre. Single sessions take up to 50 minutes and are offered on a first-come, first-serve basis, so please be prepared to wait or be referred to another location.

Films at the Library

Join us on Wednesday nights for a wide variety of international, independent, and thought-provoking films.

Library Lunchtime Concerts

Presented by the Health Arts Society of Alberta, this 45-minute lunchtime concert series features Edmonton's finest professional musicians. Bring your lunch and enjoy a free concert. **All Ages.**

Life Skills: Plant Support

Join gardener extraordinaire Suzanne Cook for an hour of Plant Support! This week, Suzanne will discuss Okahijiki Anyone? Growing Less Common Vegetables and a lively group discussion will follow. You will make some friends with common interests, share your own garden wisdom and worries, and get help solve your puzzling plant problems. Feel free to bring along your questions, tips, and pictures to share. Plant Support runs every other Sunday until the end of September, and monthly thereafter. Attend each session, or drop in when you can.

Math and Science Prep for the Trades

Are you an adult Newcomer or English Language Learner looking to work in the trades? This class is for adults preparing to go into the trades or who need to use math and science on the job. Learn how to apply math skills with basic science concepts to solve common problems on the job.

This two-hour class will run twice a week (Tuesday evening and Saturday morning) from September 13 - December 3, 2022. Participants should be prepared to attend every class. **NOTE: Registration Required**

Pikiskwêtan with Nohkom Jo-Ann: NDN Coping Mechanisms and Billy-Ray Belcourt

Bring your lunch and visit us in PĪYĒSĪW WĀSKĀHIKAN to hear from Nohkom Jo-Ann, EPL's Elder-in-Residence. You will have the opportunity to visit and ask questions.

Nohkom will speak about Plains Cree culture in relation to Indigenous literature. You are not obligated to read the works before the class. We will use this as a way to promote Indigenous authors and speak about different topics in the form of a book talk.

This week we will focus on [NDN Coping Mechanisms by Billy-Ray Belcourt](#).

NOTE: Registration Required
