Children (0 - 5)

Baby Laptime
Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. Duration: 30 minutes. **Ages 0 - 12 months.**
NOTE: Registration recommended

Sing, Sign, Laugh and Learn
You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Duration: 45 minutes. **Ages 0 - 3.**
NOTE: Registration recommended

Adapted Storytime
Children 2-5 years old and their families are invited to this sensory-friendly storytime featuring gentle lighting, interactive songs and rhymes, engaging stories and sensory-supportive tools! Children are welcome to bring their own blanket, stuffie, or fidget toys, and to participate in whatever way works best for them. Participation is limited to 8 families and while it's designed to work well for neurodiverse kids, everyone is welcome. Duration: 30 minutes. **Ages 2 - 5.** **NOTE: Registration recommended**

Preschool Read and Rhyme
Preschool Read and Rhyme gives children aged 4 to 5 the opportunity to interact with words and stories in a fun and stimulating environment. With stories, songs, rhymes, and movement, they will explore language and have fun! Parents may choose to participate or let their child attend solo; however, all parents must remain in the library for the duration of the class. Duration: 30 minutes. **Ages 4 - 5.**
NOTE: Registration recommended

Children (6 & Up)

Discovery Club
Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 - 8.**

Children's Makerspace - Open Hours
Come discover all that the Children's Makerspace has to offer! Tinker with our loose parts wall, take a photo with our green screen, make music at our DIY DJ booth, learn how to code a robot, get help with a 3D design, and more. Drop in anytime during these open hours. **Ages 6 - 12.**

3D Basics for Kids: Doodle Pens
Want to understand the basics of 3D design? This class will provide an opportunity for younger children to experiment with 3D object design using 3D printing pens. Design an object to take home that day! This class is limited to 5 participants, and is meant to be taken once per child. Priority will be given to children who have not yet taken the class. **Ages 6 - 12.**
NOTE: Registration required

Young Actors Club
To be or not to be! If the stage calls your name, join us for drama games and activities, and learn how to use your voice, body, and imagination to bring a story to life. No acting experience required. Duration: 60 minutes. **Ages 6 - 12.**
NOTE: Registration recommended

School's Out
When school is out, the library is in! Complete challenges, play games or learn something new. Discover all the fun activities waiting for you at EPL. **Ages 6 - 12.**

United for Literacy: Reading Circle
United for Literacy believes that everyone has the right to literacy and education in a positive and safe environment that focuses on meeting each persons' unique needs. In our Reading Circle Program, elementary aged learners (age 7-12) will have an opportunity to be a part of a fun environment that is focused on building positive memories and experiences around learning and reading. **Ages 7 - 12.** **NOTE: Registration required. Please contact literacy@ualberta.ca to register.**

Introduction to the Cricut for Kids
Want to learn how to design your own vinyl stickers, greeting cards, t-shirt graphics and more? Then this is the class for you! In this class, we will start with a template and go through the basics of using the digital Cricut Design space to transform it into something unique and personal. Our skilled staff members will cut your design and teach you how to weed and assemble your completed project! This class is designed to introduce the Cricut to kids, and is meant be **taken once per child**. Priority will be given to children who have not yet taken the class. This class is limited to 5 participants. **Ages 9 - 12.** **NOTE: Registration required**

Introduction to 3D Printing for Kids
Want to cruise down Edmonton's streets with a 100% personalized name plate for your bike? How about making a palm sized model of your dream house? The sky is the limit with 3D printing! In this class, EPL staff will guide you through designing a 3D printable model in TinkerCAD –we'll learn what works and what doesn't when designing for the 3D printing process and work on a project. EPL will 3D print each participant's design for free, making it available for pick up at your local branch. This class is designed to introduce 3D printing to kids, and is meant be **taken once per child.** Priority will be given to children who have not yet taken the class. This class is limited to 10 participants. **Ages 9 - 12.**
NOTE: Registration required

Rowdy Robots
What do the words Root, Ozobot, Dash and Sphero have in common? They are all bored robots waiting for someone to code them for fun! **Ages 9 - 12.**

Family
