Reclaiming Happiness: Mindfulness

Please join Dr. Ashley Pritchard (Registered Provisional Psychologist) and Ms. Vanessa Icton (Registered Provisional Psychologist) on a session about mindfulness. If you are wondering what mindfulness is, this quote may provide some insight: "Mindfulness is the awareness that emerges through paying attention on purpose, in the present moment, and nonjudgmentally, to things as they are" (Williams, Teasdale, Segal, and Kabat-Zinn, 2007). You will learn about mindfulness and some exercises to implement in your daily life. This class is a part of a Life Skills series on reclaiming your happiness.
