Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages up to 12 months. NOTE: Registration recommended**

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**

NOTE: Registration recommended

Preschool Read and Rhyme

Preschool Read and Rhyme gives children aged 4 to 5 the opportunity to interact with words and stories in a fun and stimulating environment. With stories, songs, rhymes, and movement, they will explore language and have fun! Parents may choose to participate or let their child attend solo; however, all parents must remain in the library for the duration of the 30 minute class. **Ages 4-5. NOTE: Registration recommended**

Family

Family Films at the Library

EPL has a great selection of children's films for the entire family. Join us for a family fun movie.

Adult

Form Completion Help

Completing applications online can be challenging, especially when you are new to English and new to technology. Newcomers to Edmonton can visit an Edmonton Public Library to get 30 minutes of technology help from a community volunteer as you navigate online application forms. Please be aware that the volunteer will help with the **technology aspects** of completing the form. The volunteer **does not provide advice or interpretation of the content** needed to complete the form. **NOTE: Registration is required. Your application may take longer than 30 minutes to complete and independent work may be required.**

Vocabulary Club: English Conversation Class

Join our fun English vocabulary and conversation class at the library! This program is perfect for people who are just starting to learn English. In this class, you'll discover everyday English words and how to use them. You'll practice using these words in conversations and other activities. We'll mainly focus on building your vocabulary, improving your speaking skills, and doing some simple reading.

Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member. Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos. We are unfortunately not qualified to fix a damaged device or replace components.

Book Clubs of EPL: My Brilliant Friend

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. This month we will be reading *My Brilliant Friend* by Elena Ferrante. **NOTE: Registration required**

Films at the Library

Join us at the library for a wide variety of films!

Computer Skills: Introduction to Using Computers

This is a class for those who are new to computers including English language learners and seniors. You will learn about the types of computers, what computer parts are called, and how to use a mouse and keyboard. No prior knowledge is required. A computer will be provided for this class. **NOTE: Registration required**

Computer Skills: Introduction to Microsoft Windows

This is a class for those who are new to computers including English language learners and seniors. You will learn how to navigate a Windows desktop and file system as well as common Windows programs for everyday tasks. You should already know basic computer parts and terms, and how to use a mouse and keyboard. A laptop will be provided for this class.

NOTE: Registration required

Computer Skills: Introduction to Typing and Microsoft Word

This is a class for those who are new to computers including English language learners and seniors. You will learn typing basics, how to use Microsoft Word documents and basic formatting techniques. You should already know basic computer parts and terms, how to use a mouse, and how to launch a program in Microsoft Windows. A laptop and mouse will be provided for this class.

NOTE: Registration required

Computer Skills: Introduction to Browsing and Searching the Internet

This is a class for those who are new to computers including English language learners and seniors. You will learn about what the internet is, how to use a web browser, and how to browse and search the internet. You should already know basic computer parts and terms, how to use a mouse and keyboard, and how to navigate Microsoft Windows. A laptop and mouse will be provided for this class.

NOTE: Registration required

Summer Reads 2025: Adult Trivia Night

Do you love dropping "fun facts" into random conversations with family and friends? Interested in meeting other trivia fans and seeing how you stack up against them? If so, you're invited to join us for Trivia Night on Thursday, July 31st! Your knowledge will be put to the test through five rounds in this pub style trivia quiz curated by EPL staff. Participants will be quizzed on a range of topics, from film to current events and more!

You can play as an individual or play together as a team. The winning team will receive a prize. This is an in-person program at the Whitemud Crossing Branch of Edmonton Public Library. Parking is free. **NOTE: Registration required**
