## Children

### Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. Duration: 30 minutes. **Ages 0 - 12 months. NOTE: Registration recommended**

### Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. Duration: 45 minutes. **Ages 0 - 3. NOTE: Registration recommended**

### Together We Grow

We welcome you and your child, 0 to 3 years old, to a fun-filled program of intergenerational songs, rhymes, and stories followed by an opportunity to play and connect. Parents/caregivers and their children will join older adults in the community for safe, fun, and educational activities that enhance your child's development and promote connections between the youngest and oldest members of the community. This program will be hosted at **St. Joseph's Auxiliary Hospital**. Duration: 60 minutes.

**NOTE: Registration required**

### Preschool Problem Solvers (6 Weeks)

Looking for opportunities that help build school skills and encourage independence? Preschool Problem Solvers introduces shapes, numbers, colours and classroom behaviour to children aged four to five. In this class, they will dance, sing, investigate and have fun! Parents may choose to participate or let their child attend solo. All parents must remain in the library for the duration of the class. Duration: 45 minutes. This class has a limit of 15 participants.

**Ages 4 - 5. NOTE: Registration required. This program is created for preschool children ages 4-5. Grown-ups and siblings are welcome to watch, but the activities are designed especially for our preschool friends.**

### Preschool Read and Rhyme

Preschool Read and Rhyme gives children aged 4 to 5 the opportunity to interact with words and stories in a fun and stimulating environment. With stories, songs, rhymes, and movement, they will explore language and have fun! Parents may choose to participate or let their child attend solo; however, all parents must remain in the library for the duration of the class. Duration: 30 minutes.

**Ages 4 - 5. Note: Registration recommended.**

### School's Out

When school is out, the library is in! Complete challenges, play games or learn something new. Discover all the fun activities waiting for you at EPL. **Ages 6 - 12.**

### Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 - 8.**

### Reading Buddies

THIS CLASS IS FOR CHILDREN IN GRADES 2 TO 4 ONLY.

Do you love to read? Do you want to have fun, make new friends and practice your reading skills? Reading Buddies is a class that matches teen mentors with kids in Grades 2-4. Through interactive games and activities, buddies share their enthusiasm for reading. If your child is in Grades 2-4, please register for a spot in the class or contact your local branch for more information. If you're a teen who would like to volunteer, visit [www.epl.ca/volunteer](http://www.epl.ca/volunteer) for more information.

**NOTE: Registration required**

### United for Literacy: Reading Circle

United for Literacy believes that everyone has the right to literacy and education in a positive and safe environment that focuses on meeting each learner's unique needs. In our Reading Circle Program, elementary aged learners (age 7-12) will have an opportunity to be a part of a fun environment that is focused on building positive memories and experiences around learning and reading. To register or for further inquiries, please contact [literacy@ualberta.ca](mailto:literacy@ualberta.ca). **Ages 7 - 12.**

**NOTE: Registration required**

## Spring Break at EPL

### Fantasy Garden and Beyond

Design a door to your fantasy world, map your world and make a character who lives there! This event is unregistered and has a limit of 30 participants.

**Ages 6 - 8.**

### Pollinator Pals

Discover how pollinators help flowers, vegetables, and other plants grow with crafts and activities! This event is unregistered and has a limit of 30 participants.

**Ages 6 - 8.**

## LEGO Motion Lab

Bring your LEGO to life—one frame at a time! Create your own LEGO sets and characters, then bring them to life through stop-motion movie magic. This event is unregistered and has a limit of 20 participants. **Ages 9 - 12.**

## A-Maze-ing Mazes

A-maze yourself and your friends with your maze-building skills. Create your own twisty designs using recycled materials and help a robot race through a maze. This event is unregistered and has a limit of 30 participants. **Ages 6 - 8.**

## Family

### Family Films at the Library

EPL has a great selection of children's films for the entire family. Join us for a family fun movie.

### Family Reads: Beyond the Book

Make your own friendship monster and a kindness box to take home. This is part of the Family Reads: Beyond the Book program! Learn more about Family Reads by visiting [epl.ca/family-reads](http://epl.ca/family-reads). This is an unregistered program.

### Olympic and Paralympic Games Watch Party

EPL is proud to partner with CBC to bring the excitement of the Olympic and Paralympic Winter Games Milano Cortina 2026 straight to your local library branch!

## Adult

### Seniors Community Resource Fair

Are you looking for information on services for seniors and older adults in your community? Join us for a Seniors Community Resource Fair from 10:00 am - 2:00 pm and connect with organizations and agencies that can support your health, wellness and quality of life. For more information, contact the Whitemud Crossing branch or Sage Community Animator Emily Weisbrot: [eweisbrot@mysage.ca](mailto:eweisbrot@mysage.ca) or 587-337-7807.

### Vocabulary Club: English Conversation Class

Join our fun English vocabulary and conversation class at the library! This program is perfect for people who are just starting to learn English. In this class, you'll discover everyday English words and how to use them. You'll practice using these words in conversations and other activities. We'll mainly focus on building your vocabulary, improving your speaking skills, and doing some simple reading.

### Nature Uncovered: Tracks, Cams & Cats

Guest speaker Gerald Romanchuk shares how a chance encounter with the tracks of a big cat in a nearby Natural Area led to an addiction to trail cams and a peak into the numbers and lives of cougars thriving near Edmonton.

**NOTE: Registration required**

### Films at the Library

Join us at the library for a wide variety of films!

### Golden Years Cinema - His Girl Friday

Relive the magic of Hollywood's golden era as we screen classic films that have stood the test of time. This time we'll be screening His Girl Friday.

### Book Clubs of EPL: Tom Lake / Ducks

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. This month we will be reading *Tom Lake* by Ann Patchett on March 16 and *Ducks* by Kate Beaton on March 27.

**NOTE: Registration required**

### Computer Skills: Introduction to Using Computers

This is a class for those who are new to computers including English language learners and seniors. You will learn about the types of computers, what computer parts are called, and how to use a mouse and keyboard. No prior knowledge is required. A computer will be provided for this class.

**NOTE: Registration required**

### Computer Skills: Introduction to Microsoft Windows

This is a class for those who are new to computers including English language learners and seniors. You will learn how to navigate a Windows desktop and file system as well as common Windows programs for everyday tasks. You should already know basic computer parts and terms, and how to use a mouse and keyboard. A laptop will be provided for this class. **NOTE: Registration required**
