To register and for a complete list of classes visit: epl.ca/classes

*All classes are drop in unless otherwise specified

November Classes:

Children

Sing, Sign, Laugh and Learn

You and your child from birth to age three are invited to join us for songs, rhymes and signs! In this inclusive class, offered in collaboration with the Edmonton Early Intervention Program, parents/caregivers will interact one-on-one with their child while learning strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages Birth to 3**

NOTE: Registration is recommended

Discovery Club

Full STEAM ahead! Explore all things Science, Technology, Engineering, Art and Math in this club for young scientists and makers. **Ages 6 to 8**

Teen

Teen Lounge

Join other teens to play video games, make a DIY project, meet friends or just hang out.

Family

Family Storytime

Enjoy stories, songs, and rhymes suitable for the whole family. **All Ages.**

Adult

Bissell Centre Housing Workshop

Experiencing houselessness or possibly facing it? Looking for stable long term housing? Meet with Bissell Centre's Housing Navigators at a drop in housing workshop – no appointment required. They can help you:

- Check on your situation with Homeward Trust and let you know what supports you are eligible to access
- Search and contact affordable housing options
- Know the laws and rights around being a tenant
- Connect with other useful resources and programs

Note: Bissell Centre Housing Workshops cannot provide immediate shelter, emergency housing, or crisis response. The focus is long-term stability and sustainability. **Teen to Adult.**

Book Clubs of EPL: Magpie Murders

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read.

Please login to your account with your library card and then register to reserve a copy of the book. This month's book is: *The Magpie Murders* by Anthony Horowitz (2017) **NOTE: Registration required**

Computer Skills: Introduction to Using Email

This is a class for those who are new to computers including English language learners and seniors. You will learn about sending and receiving emails, attaching files to an email, and email safety. You should already know basic computer parts and terms, how to use a mouse, how to type, how to launch a program in Microsoft Windows and how to navigate an internet browser.

A laptop and mouse will be provided for this class. You may need a mobile phone in this class for verification upon email set up. The mobile phone is recommended but not required.

NOTE: Registration is required

Computer Skills: Introduction to Microsoft Windows

This is a class for those who are new to computers including English language learners and seniors. You will learn how to navigate a Windows desktop and file system as well as common Windows programs for everyday tasks. You should already know basic computer parts and terms, and how to use a mouse and keyboard.

A laptop will be provided for this class. **NOTE: Registration is required**

Computer Skills: Introduction to Using Computers

This is a class for those who are new to computers including English language learners and seniors. You will learn about the types of computers, what computer parts are called, and how to use a mouse and keyboard. No prior knowledge is required.

A laptop will be provided for this class. **NOTE: Registration is required**

Tech Time

Need some one-on-one tech help? Bring your device (or use one of ours) and come prepared with a tech-related question or challenge you would like to explore with a savvy staff member.

Tech Time is divided into three 20-minute timeslots that you can sign up for upon arrival. If you do not get a timeslot, you may put your name down on a waiting list in case we are ahead of schedule.

Some common topics are Microsoft Office programs, mobile device troubleshooting, setting up and navigating a new device, accessing e-books and other online library resources, creating a social media account, adjusting device settings, transferring files between devices, and managing files or photos.

We are unfortunately not qualified to fix a damaged device or replace components.

We also offer a series of beginner computer classes, called "Computer Skills," which are best for those without basic knowledge or who want to explore an entire topic rather than a specific question.
