

Dear Parent or Guardian,

Did you know your child can get a free library card for Edmonton Public Library (EPL) through your child's school?

EPL has partnered with your child's school division to make it super easy for students to get library cards.

What can your family do with an EPL library card?

Free borrowing of items like books, comics, movies, music, video games, and more. You can borrow from any of our 21 Edmonton Public Library branches, and you can even borrow digital material too!

Why is having a library card so important?

Kids love choosing their own books. When children read at home and read for fun, they're practicing important literacy skills that will help them throughout their lives.

How do I apply for an EPL library card for my child?

It's easy! Fill out the form and have your child return it to their teacher.

What if my child already has an EPL library card?

Please fill out the form anyway. This helps us make sure we have the most up-to-date information for your child.

Thank you for supporting your child's reading journey!
