BE A PART OF EPL HISTORY! Take your seat in the Muttart Theatre in the Stanley A. Milner Library, and you will help provide Edmontonians with opportunities for education, entertainment and so much more. You'll be playing a critical role in the revitalization of this incredible part of our downtown Library, and in recognition of this support we'll place a plaque bearing a name, quote or message of your choosing on the back of the seat. The plaque will remain on the seat for 20 years, with donors being given the first right of refusal to renew after this term.
