

Great libraries shape great communities! They are a powerful force in the economic, social and cultural well-being of a vibrant society. Each and every day, thousands of Edmontonians across all ages and from all walks of life benefit from the wide variety of services available from the Edmonton Public Library.

The Society of the Friends of The Edmonton Public Library (FEPL) is proud to support EPL in all that they do.

Friends was established in 1991 as a volunteer, non-profit society. Today, our mission is to promote public interest in the Edmonton Public Library through social, cultural and fundraising activities and act as an advocate for the community's library interests.

The impact of Friends of Edmonton Public Library on EPL can be seen in our recent support of "Ready. Set. READ!" early literacy program, in its pilot phase, investments in enhancements to the Sprucewood Branch, support for the development of the Milner Kitchen, and in the Early Learning Centre Play Space Interactive Exhibit.
